

**SPECIAL
GUEST**

Dr. Douglas R. Lowy
National Cancer Institute,
Acting Director

We are honored to announce that Dr. Lowy, the Acting Director of the National Cancer Institute, will be offering a special presentation on the current state of cancer research. Purdue's Center for Cancer Research is a NCI-designated cancer research facility and this is the first visit a Director has made to the campus. Dr. Lowy will address NCI's efforts in cancer research, the current national policy on biomedical research, the tremendous strides of the Cancer Moonshot and how cancer centers like ours are working to solve the cancer problem. We are pleased to invite you to this very special presentation.

**Thursday
June 29**

12p-1pm

**Deans
Auditorium,
Pfundler Hall**

**A light lunch
will be served**
